Dear Corporate/Business Member:

Everyone wishes they had time to play golf. However, in this busy world it is not always possible. Because of this dilemma the Battenkill Country Club is offering a "Corporate/Business Membership" at this time. We feel this is an answer for those who enjoy playing golf but do not have the time for a personal membership or for those who do not play golf but have business contacts, employees or personal friends that do enjoy golf. The enclosed application illustrates the cost but does not include the following advantages:

- A card with your business name will be provided for each round of golf
- Each Corporate Membership will have a Primary Member who can participate in any of the club tournaments by using one of the passes
- A log will be kept of each of the individuals who use your corporate passes
- Passes make good employee incentives & rewards
- Passes make good customer relations
- Passes can be used at any time including weekends and holidays
- Passes can be used for corporate business outings
- Passes can be used by you, your family and friends
- Additional passes available in units as small as 10

We hope you can see the many advantages to of this membership which includes full use of our clubhouse for luncheons, meetings, and entertaining. Our clubhouse includes a lounge, dining area and full service bar.

Battenkill Country Club looks forward to working with you to make your corporate membership work to grow your business and/or to show employee appreciation.

Sincerely,

Battenkill Country Club
